EDUCATION

Collage Name	Degree	Score
Dattu Sonaji Patil Vidyalaya, Kerhale bk.	SSC (2017-18)	80.40%
Smt.S.S.Patil Polytechnic,Chopda	Diploma in computer engineering (2018-21)	90.46%
Dr.D Y Patil College Of Engineering And Innovation Varale, Talegaon, Pune	B.E in computer engineering (2021-24)	8.72

EXPERIENCE

Web developer using Django - Elite software solution

-Actively working on an ecommerce website using Django framework

-Worked on web technologies like HTML,CSS,JavaScript,PHP,and Python.

Data science and machine learning - YBI foundation

-I have developed projects in Python and solved real-world problems.

PROJECTS

College Admission Prediction System - [GitHub Link](#)

-In this project I developed a model using the Decision Tree algorithm. The model was built with the PyCaret machine learning library on Google Colab.

-I created a custom dataset of colleges and used it to train and evaluate the model.

-The project was implemented using the Django framework.

-I utilized libraries such as Pandas, NumPy for data processing, analysis, and visualization.

OTHER PROJECTS

Net Banking System - [GitHub Link](#)

-Utilized technologies such as HTML, CSS, Bootstrap, PHP, jQuery, MySQL, and SMTP.

-Developed various Net Banking features, including money transfer, an admin panel, a user dashboard, and two-step authentication.

-Implemented Google Authenticator for two-step verification and integrated SMS functionality for enhanced security.

Cake Order System - [GitHub Link](#)

-Online cake ordering platform with product customization and order tracking using PHP and MySQL.

Blockchain E-Voting System - [GitHub Link](#)

-Secure blockchain-based voting system ensuring transparency and tamper-proof records.

ACHIEVEMENT

College Admission Prediction using Machine Learning Project

-Published in Journal of Emerging Technologies and Innovative Research ([JETIR](#)), 2023.

SKILLS

Programming Languages - C, C++, Java, Python.

Web Development - HTML, CSS, JavaScript, Bootstrap, Django.

Database - MySQL.

Data Science & Analysis - Data Science, Machine Learning.

Tools & Technologies - VsCode, Spring, Eclipse, Git, GitHub.
